Expert DNA Testing is San Diego's only DNA Paternity Test Service with the [[search:Better Business Bureau]].

We represent Integrity, Honesty and Accountability. We participate in the Better Business Bureau Membership Identification Program and are a BBB Online Reliability participant as well.

The Membership Identification Program is a BBB program that allows members to identify themselves as BBB members in off-line media when the member signs a formal commitment to resolve disputes, if necessary, through arbitration and has agreed to use special procedures including arbitration if necessary, to resolve disputes.
